Bird Brain

Get your children to pretend to be birds. Put some music on and encourage them to 'fly around the room, flapping their wings to the music'.

Making your own bird.

- You need
- Sugar paper
- Feathers
- Glue
- Scissors

Cut out bird shapes from the sugar paper and give one to each of the children. Get them to put glue onto the bird shape and place the feathers on it to give their bird a coat.

Birds Nest

You Need

- Cooking chocolate
- Shredded wheat
- Mini Eggs
- Small Chicks
- Fairy cake cases

Melt the chocolate and add the shredded wheat broken up into it. Spoon into the cake cases. Add a few eggs and a chick to each nest.

Little Bird Little Bird

Sung to the tune of "Twinkle, Twinkle Little Star"

Little bird, little bird,
Fly around,
Up to the sky,
Down to the ground,
Little bird, little bird,
Flap your wings.
Open your beak
And sweetly sing.
Little bird, little bird,
Fly to your nest.
Now it is time
To take a rest.

Susan M. Paprocki

Tidying up Idea

After your children have finished their lunch get them to brush up all the crumbs to take outside to feed to the birds.
